Mr Plumer was confd as Asstt Coll 1st class 1st Nov 1899, 3½

viz, Rs450 per mensem
in 1900, he came to
to ask for an officer drawing
Rs 600 pay and Rs 130 allowance
that subsequently, though he
was confirmed, he was not
allowed to draw the pay drawn
by his predecessor, Mr Hume
Wright, an officer of less
service than himself and
that he was partially
compensated for his loss
of pay by the grant of an
allowance of Rs 200 per
mensem making his total
emolument to Rs 650/- (as
compared with Rs 730/- drawn
by his predecessor). He
requests Govt to reconsider
the general question of
the appointment of Gold
Fields Magistrates, so as
to bring it into a line with
similar ~~appointments~~ Magistrates in
the towns of Madras, Bombay
and Calcutta, allowing the
appointment to carry Rs 600
pay rising by yearly in-
crements of Rs 50, to Rs 8

the pay now drawn by the Dy Supt of Police on the Field, and which pay was offered to him by the late Dewan, Sir K. Seshadri Iyer in the year 1900.

He further states that if the above concession cannot be shown, he may be allowed to draw his allowance of Rs 200 in addition to his furlough allowance while on leave, as otherwise he would be precluded from going home (to England) on long leave, to study for the Bar.

Nothing in the records in office about this.

The Dy. Comr of Kolar submits for the favourable re-consideration of the Govt the question of pay of the Gold Fields Magistrate and urges that there are cogent reasons that the appointment should be continued as a special one - as it has been for the last 10 years — and that if Govt

decline to reopen the question, the case of Mr Plumer may be specially taken into consideration. He adds that having in view the excellent work done by Mr. Plumer as Gold Fields Magistrate, during the last 3½ years; and taking into consideration the very laudable object which is the main reason for his taking long leave to England, the Govt might with their usual liberality extend the privilege to Mr Plumer, of drawing his Special allowance in addition to half pay while absent from India. He is of opinion that by this Concession Mr Plumer would be enabled to recruit his health and prosecute his Studies at the English Bar and thus render himself on his return a more efficient officer of the

the Mysore Locale.

I do not think it is a bad idea when convenient for Planner to go to England where he intends to study for the Bar. His work in Kolar Gold Fields has been appreciated and if he gains more learning & comes back with greater prestige the service will not be benefitted thereby. All that he asks for as I learn from W. Can that his local allowance may be included in the calculation of the Furlough allowance — This is not an unreasonable request if he goes to study for the Bar — This aspect of the case may be kindly considered by the 2nd Councillor — Others in similar circumstances have received similar encouragement. or if this cannot be done

As a special case, it was decided that Mr. Plumer was granted the concession of drawing his allowance of Rs 200 in addition to the furlough allowance admissible under the Service Regulations, i.e. Rs 225 (half of pay) plus Rs 200 or Rs 425 in all per mensem) when he finally proceeds on furlough next year.

This is an application from Mr Plumer who allowed to draw his allowance when absent on furlough in England which he wants to utilize to study for the bar — Mr Plumer's is a special case and his work in the field has been satisfactory & he impresses me as his judicial qualifications his usefulness and efficiency in the service will be improved & as a special case I beg to recommend that His Highness may be graciously pleased to sanction the application.

As a special case it was observed that Mr. Plumer will be granted the concession of drawing his allowance of Rs. 200/- in addition to the furlough allowance admissable under the Service Regulations, i.e. Rs. 225 (half of pay - plus Rs. 200/- or Rs. 425 in all per mensem) when he should proceed on furlough next year.

Mr Plumer acknowledges with thanks the receipt of the Govt order referred to, and expresses his gratitude to His Highness the Maharaja and to Govt for this very liberal concession, and hopes to show that the concession has been made full use of by him by passing the necessary examinations.

He further states that there is one point which he thinks has been overlooked and that is, that his original application for leave was for three months privilege leave added to one year's furlough. He requests orders on the question whether the concession (drawing his allowances) is intended to apply to the whole of his leave, privilege and furlough as this is not specifically stated in the order.

Sited for orders.

The intention of Govt was apparently that the concession should apply to the whole period of Mr Plumer's absence on privilege leave, furlough and any privilege leave which he is entitled to combine therewith

Sir,

I have the honor to forward herewith a copy of a letter from Mr Plummer with regard to his proposal to take furlough next year. —

With reference to Government order No: 1238 dated 14th February 1903 requesting to be informed of the date from which I wish to avail myself of furlough; I have the honor to report that for pecuniary reasons, I shall be unable to avail myself of furlough this year as I had proposed. 2. In this connection I would ask Government to very kindly consider the position in which their orders as to my pay on the Fields have placed me.
